(Read Hebrews 11:24-27 before making your decision)

Two ways to go:

Commandment Oriented

decision making begins by asking:
“What does *God* want?”

Write out your answer:

Choices for present suffering in order to receive
long-term pleasures.

Note both:

Desire Oriented

Decision making begins by asking:
“What do *I* want?”

Write out your answer:

Choices for present pleasure and forgets
Long-term suffering.

Note both:

Your decision is an opportunity to “choose Christ.” Write out your decision and why it was made.
